

PRINZKNECHT

A brown rabbit is the central figure, sitting on a green lawn. It wears dark sunglasses and a brown leather harness with metal rings. In its right paw, it holds a tall glass of beer with a thick head of foam. To the right of the rabbit are two decorated Easter eggs: one blue with yellow stars and one white with red spots. The word 'PRINZKNECHT' is written in a large, stylized, white-outlined font at the top, with small illustrations of a knight and a jester integrated into the letters 'P' and 'T' respectively.
